

**Manitoba Gaming
Control Commission**

The Manitoba Gaming Control Commission (Commission) has established Standard Rules of Play. Licensees may set their own individual House Rules to be used with these rules during the play of Media Bingo events.

MEDIA BINGO STANDARD RULES OF PLAY

- 1.** House Rules are part of the licence and must include:
 - a)** how to obtain a recap of bingo numbers;
 - b)** the criteria attached to the winning of any game or prize;
 - c)** the method and time limit to declare a possible winner;
 - d)** the method and time limit to claim the prize; and
 - e)** the procedure for handling any media transmission or telephone failures.
- 2.** House Rules must be applied in a way that is consistent with these Terms and Conditions. The Commission will interpret House Rules to be consistent with these Terms and Conditions.
- 3.** Person(s) directly involved in the conduct, management or operation of the Media Bingo event may not play.
- 4.** Sales of all Media Bingo product must stop before the start of the Media Bingo event.
- 5.** All potential winning card(s) must be verified by comparing the control number located in the centre (free space) of the card to the appropriate Master Control Book.
- 6.** When at least one player has been identified as a potential winner, no more numbers need to be called.
- 7.** The player(s) correctly completing the required pattern in the least amount of numbers called, and having met all the criteria to win stated in the House Rules, will be declared a winner.
- 8.** Potential winners must present their card within the time limit stated in the House Rules to claim a prize.
